Filme:

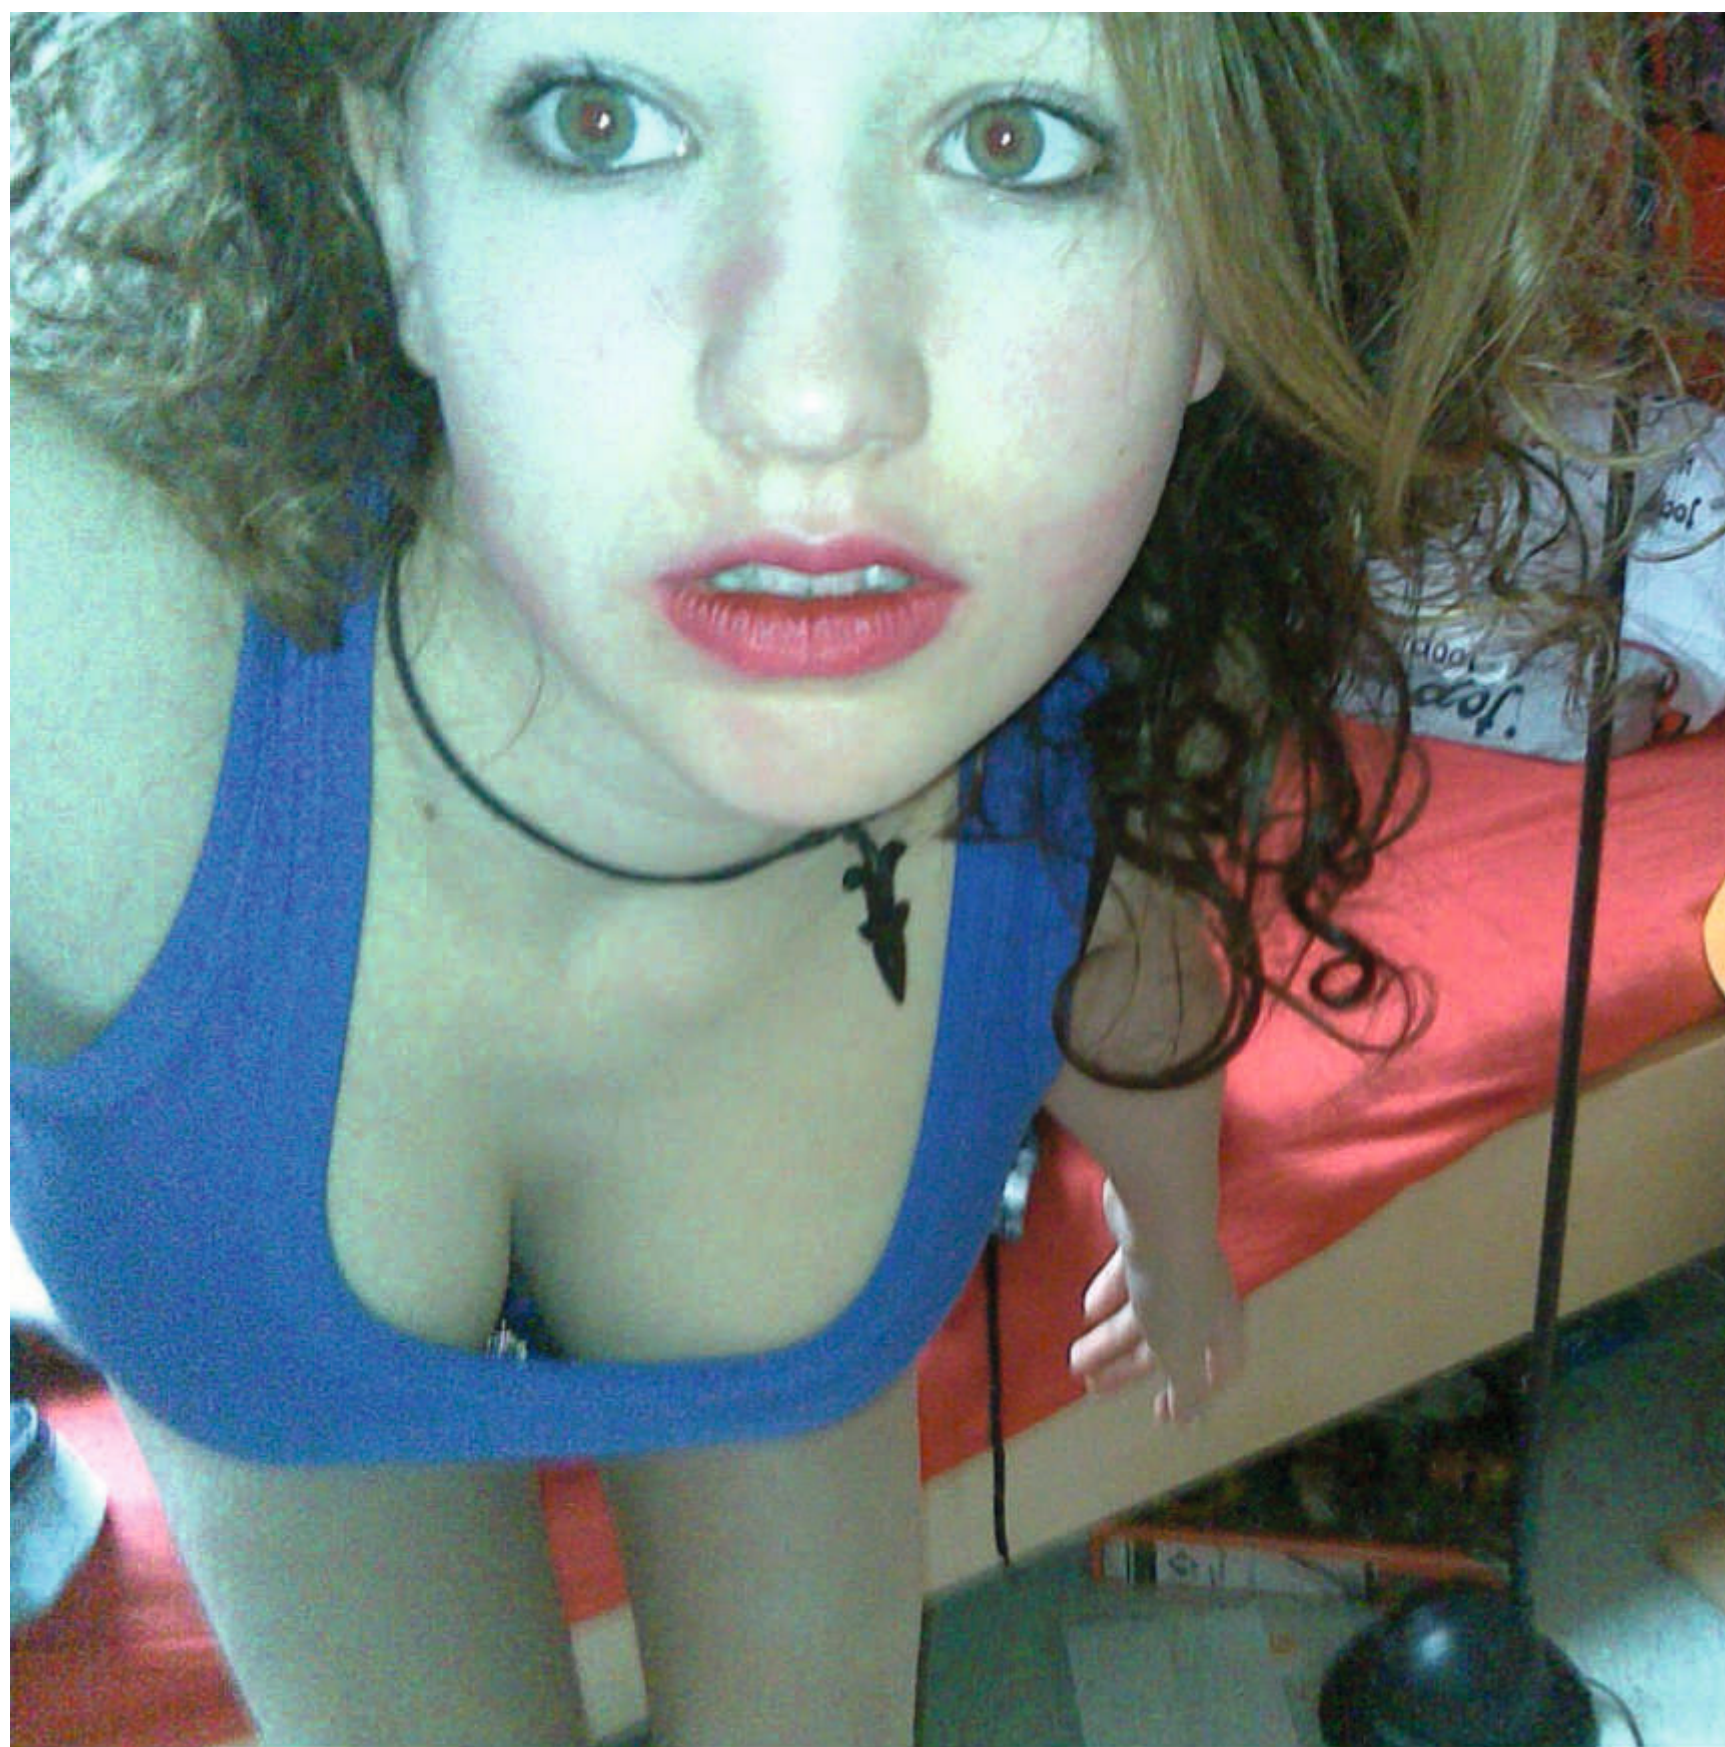

I can see through you - see your true colors

'Cause inside you're ugly - you're ugly like me

and you can bring me to my knees - again
all the times when I could beg you please - in vain
all the times when I felt insecure - for you
and I leave my burdens at the door

all the times that I felt like this won't end - it's for you
and I taste what I could never have - it was from you
all the times that I cried, my intentions were full of pride
but I waste more time than anyone

all the times that I've cried - all this wasted, it's all inside
and I feel all this pain, stuffed it down - it's back again
and I lie here in bed - all alone
I can't mend, but I feel

tomorrow will be okay

But I'm on the outside - and I'm looking in

I can see through you - see to the real you

GLÜCKLICH MÜS L I I I

Ineas sirus. natione anthi-
ocensis. arte medicus. discipulus apostolorum. postea paulum secutus usque ad confessionem eius secutus dominum sine crimine: nam neque uxorem unquam habuit neque filios: septuaginta et quatuor annorum obiit in bithynia. plenus spiritu sancto. Qui cum iam scripta essent euangelia. per mattheum quidem in iudea. per marcum autem in italia: sancto instigante spiritu in achaie partibus hoc scripsit euangelium: significans etiam ipse in principio ante suum alia esse descripta. Cuius erga ea quae ordo euangelice dispositionis reposita: ea maxime necessitas laboris fuit: ut primum grecis fidelibus omni prophetatione venturi in carnem dei christi manifestata humanitate ne iudaicis fabulis attentis: in solo legis desiderio teneretur: vel ne hereticis fabulis et stultis sollicitationibus seducti reciderent a veritate elaboraret: desinit. ut in principio euangelij iohannis natiuitate presumpta. cui euangelium scriberet et in quo electus scriberet indicaret: contestans in se completa esse. quae essent ab alijs inchoata. Cui ideo post baptismum filij dei a perfectione generationis in christo implete: repetende a principio natiuitatis humane potestas promissa est: ut requirentibus demonstraret in quo apprehendens erat per nathan filium dauid introitu recurrentis in deum generationis admissio. indispabilis dei predictas in hominibus christum suum. perfecti opus hominis redire in se per filium faceret: qui per dauid patrem venientibus iter prebebat in christo. Cui luce non immerito etiam scribendorum aduocatus apostolorum potestas in ministerio datur: ut deo in deum pleno et filio perfectionis regnante. oratione ab apostolis

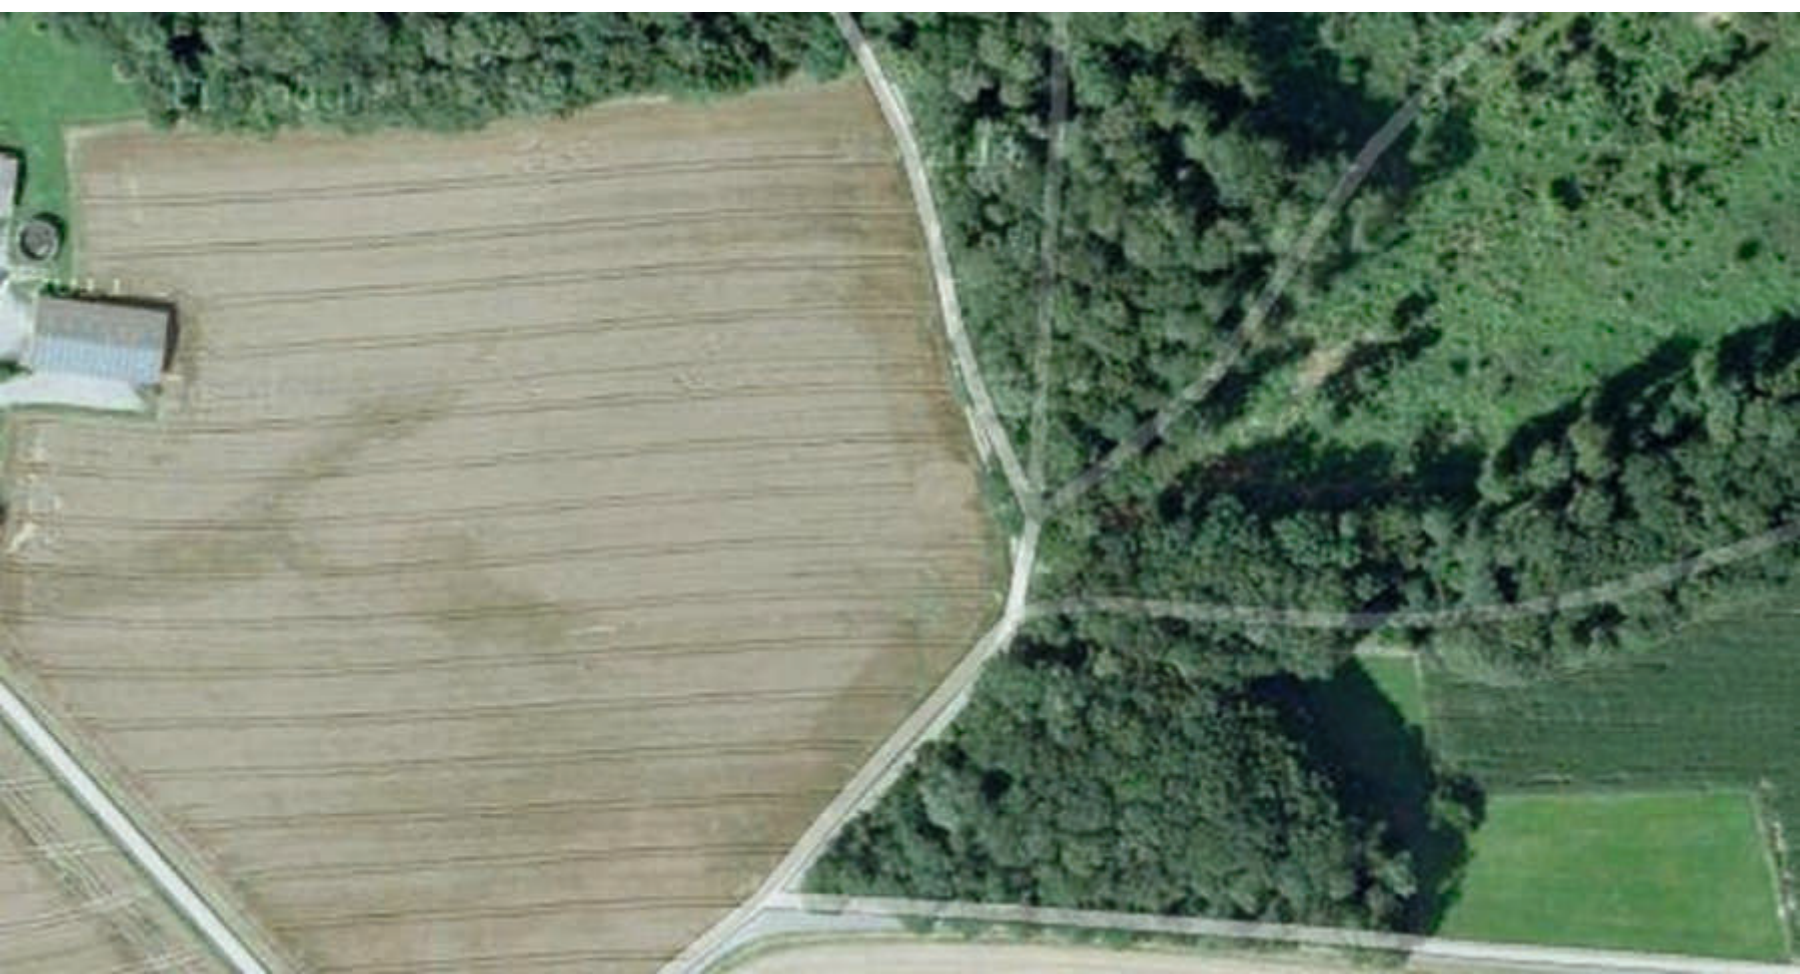

facta. sorte domini electionis numerus completeretur: sicut paulus summatione apostolicis actibus daret. quae diu contra stimulum recalcitrante dominus elegeret. Quod et legentibus ac requirentibus deum. et si per singula repediti a nobis utile fuerat: sciens tamen quod operantem agricolam oporteat de suis fructibus edere. vitauimus publicam curiositatem: ne non tam volentibus deum demonstrare videremur. quam fastidientibus prodidisse. *Explicit prefatio Incipit euangelium secundum lucam: Proximum in fine libri luce in euangelium finis*

Boniam quidem multi conati sunt ordinare narrationes quae in nobis complete sunt res. sicut tradiderunt nobis quae ab initio ipsi viderunt. et ministri fuerunt sermonis. visum est et michi affecuto cum in principio diligenter te ordine tibi scribere apostolice epistolae: ut cognoscas conuentionem de quibus eruditus es veritate. .1.

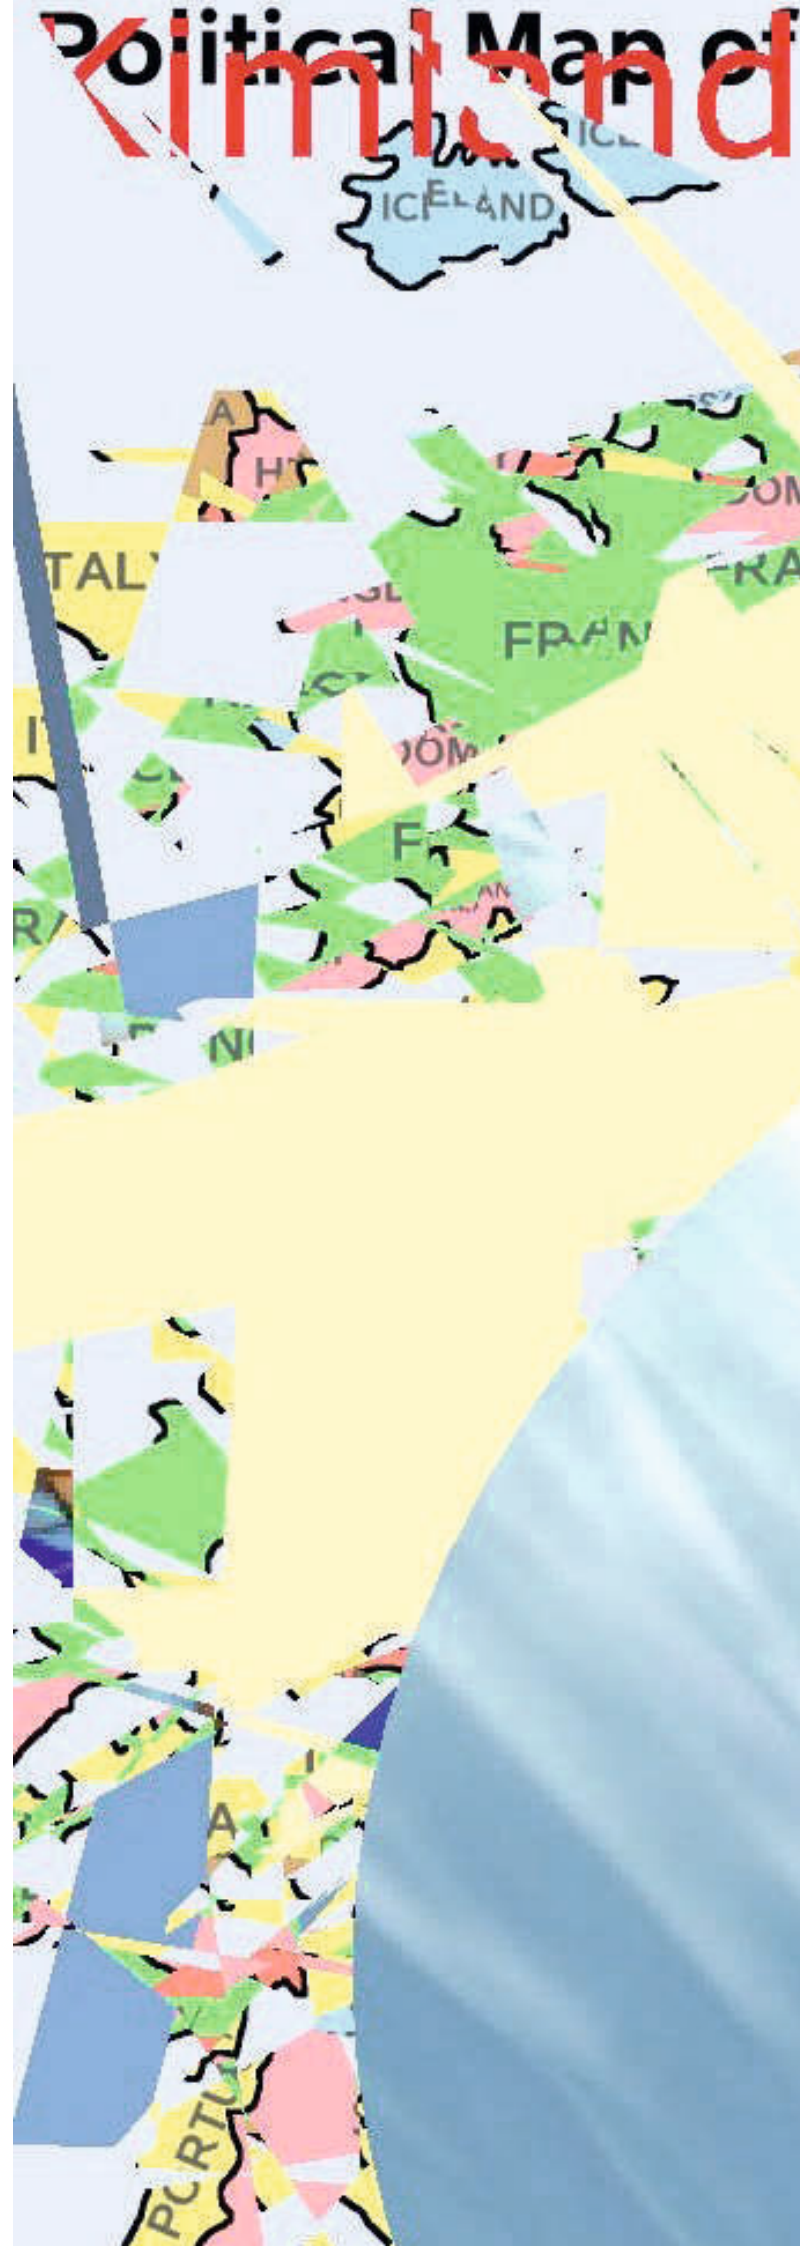

Erit in diebus herodis regis iudee sacerdos quidam nomine zacharias de vice abia. et uxor illi de filiabus aaron: et nomen eius elizabeth. Erant autem iusti ambo ante deum: intendentes in omnibus mandatis et iustificationibus domini sine querela. Et non erat illis filius. eo quod esset elizabeth sterilis: et ambo processissent in diebus suis. Factum est autem cum sacerdotio fungeretur zacharias in ordine vicis sue ante deum: secundum consuetudinem sacerdotum sorte egerit ut incensum poneret ingressus in templum domini. Et omnis multitudo populi erat orans foris hora incensi. Apparuit autem illi angelus domini: stans a dextris altaris
